

HOLY FAMILY PRIMARY SCHOOL  
MAGHERAFELT

**POSITIVE BEHAVIOUR**  
POLICY STATEMENT

## **POSITIVE BEHAVIOUR POLICY**

### **MISSION STATEMENT**

We value and respect all our pupils equally. We recognise that each is unique, that each is gifted differently. Holy Family Primary School exists to serve the Magherafelt community through the provision of a caring and effective catholic education service which will enable pupils to make the most of their potential for academic, religious and human development.

We believe that each pupil can be helped to develop further and learn more, provided each plays his/her part.

We expect our pupils to work hard, to keep the school rules and to co-operate fully with all staff. We expect our pupils to share responsibility within the school and to participate in its life and work, using and developing all their talents.

We believe that there is no better way to build Family than to live Family - working hard together, sharing, caring, loving, forgiving and always being loyal.

### **RATIONALE**

- We in Holy Family Primary School believe that children who have positive attitudes to school, who have high expectations of themselves and who have a strong sense of their own self worth are most likely to take advantage of the totality of the experiences that our school offers.
- Good working relationships between staff, pupils and parents are the key to effective teaching, learning and discipline.
- Each member of staff aspires to have a knowledge of the needs, aspirations, interests, and academic progress of each pupil.
- When teachers are consistent, set clear limits, pupils will comply with rules and routines.
- In preparing our approach to Positive Discipline we acknowledge the rights and responsibilities of all members of the school community.
- This policy is shared with all staff, non-teaching staff and parents.

## **GENERAL STATEMENT**

In Holy Family we provide a supportive environment which adapts to the needs of pupils of all abilities and backgrounds. We aim to organise the educational provision within the school, so that each child has the opportunity to develop physically, intellectually, socially and spiritually and so develop all talents to their full potential. We create a happy environment in which pupils can learn effectively and develop a sense of self esteem and self control. Our discipline policy is closely linked with and supportive of our general school policy which is based on Christian values and beliefs. We encourage parents to be active partners in the education of their children, we expect parents to accept the school's discipline policy. We shall implement our policy fairly and consistently. Should the need for pupil suspension/expulsion arise, we shall follow the procedures laid down by CCMS/NEELB
