

Holy Family Primary School Magherafelt

07 October 2008

Dear Parents

As you know our Key Stage 2 children will be travelling to the Odyssey, Belfast for the Young Voices concert on 4th December. We will transport the children to the concert at approx 12.45pm that afternoon and they will be brought back to school that night at approx 10.30 pm. If you wish to come along and see the show which starts at 7.00 pm you need to book tickets through us immediately. We can block book seats at a reduced price of £17.00 per person and if we book seats early enough we get seats opposite the children to give you best vantage point. Last year, we also ran a parents bus for those who did not wish to drive to Belfast. The cost of the bus would simply be divided up among those who travel on it.

If you wish to book tickets for the show, please fill in the number of tickets you require and indicate how many seats you would like on the parents' bus. Tickets can only be booked with a £5 deposit. The remainder can be paid at the time of collection.

For those who were not at last year's show, I can assure you that this will be a fantastic night for all concerned; it is a unique experience for both children and adults. If you wish to make any booking, please complete the reply slip and send it in to us by **Friday 10th October** with the appropriate money as we will be placing our order on that day.

Yours sincerely
