Dear Parents,

During October, the year group will be focussing on ...

Literacy – comprehension of a variety of texts (focussing on skimming and scanning techniques), group reading, language of advertising (especially the use of puns in pupil written work)

Numeracy – revision of area and perimeter, symmetry (identifying and using vertical/horizontal/diagonal lines of symmetry) and capacity (including displacement).

World Around Us – independent project work, making use of good ICT and presentation skills to inform others. Exploring rights and responsibilities both locally and globally.

PDMU – being an effective learner – identifying and applying ‘learning to learn’ skills that are useful across the curriculum. Teaching and learning a new skill from peers.

RE. –Modern Day Prophets, Feast of All Saints and All Souls

Art – scale drawings, symmetry drawings (in conjunction with Maths Week), Hallowe’ en art work

European Languages Day – P7 took part in a whole host of events during the week to celebrate this occasion. Special mention given to P7 pupils who helped out in the school mass on Thurs 23rd and the whole school assembly on Friday 24th September. They did a marvellous job. Thank you.

Theatre Show – Robin Hood comes to the assembly hall on Thurs 14th October. £2 per pupil.

Forces and Energy Day – P7 year group will be going to St. Mary’s Grammar School on Thurs 21st October to take part in a Forces and Energy Day.

Hallowe’ en – festival celebrations to be held in school on Thurs 28th October. School closed Fri 29th October, Monday 1st and Tues 2nd November.
